China Cat Sunflower

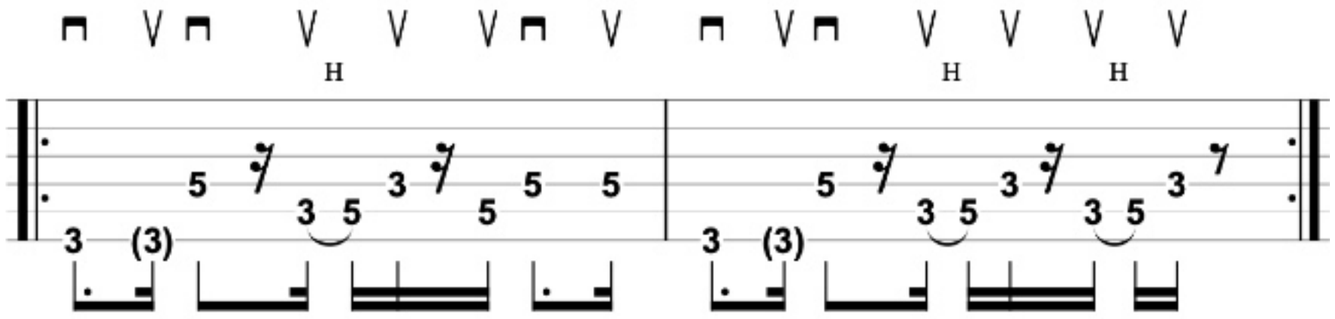
Lead & Rhythm Guitar Parts

A study in rhythmic feel

⊓ = downstroke ∨ = upstroke

See the accompanying videos at
instagram.com/highcountryguitar
or youtube.com/highcountryguitar

Jerry Garcia's part (often played with slight variations)



Feel the emphasis on the downstrokes, and keep the pick moving to the beat.

Bob Weir's part (rhythm lick)

Played with slight palm muting for a more percussive sound.
